ABOUT ME

Aspiring IT Professional with strong leadership, communication, and multitasking abilities. Enthusiastic and proactive in learning new technologies and adapting to dynamic environments. Demonstrates the ability to collaborate effectively within teams, solve problems efficiently, and contribute to organizational goals with a positive attitude and a commitment to continuous growth.

SKILLS

Programming Languages : Python, Java

Technical Skills : Web Development, Database Management, Full Stack Development

Soft Skills : Planning, Team Collaboration

PROJECTS

Automatic License Plate Recognition(ALPR):

Developed a real-time ALPR system using Python and OpenCV for live number plate detection and EasyOCR for text reading, with smooth video processing for accurate, low-latency recognition.

NearNow – AI-Powered Hyper-Local Discovery Platform:

Built a full-stack web application for discovering nearby events, restaurants, hotels, and cultural places using AI-powered recommendations, interactive maps, and real-time geolocation.

Student Assistant System (RAG-Based Academic Assistant)

Developed an AI-powered academic assistant that enables students to upload PDFs, ask context-aware questions, generate quizzes and flashcards, and receive accurate responses using a RAG pipeline with LLMs.

INTERNSHIP

Tunga Aerospace Pvt Ltd, Chennai

(05th Feb'25 to 06th Mar'25):

Software Engineering - worked on a real-time ALPR system using Python, OpenCV and EasyOCR for number plate detection.

EDUCATION

Rajalakshmi Engineering College, Thandalam, Tamil Nadu 2023-2027

Bachelor of Technology - Information Technology
CGPA : 7.80

Swami Vivekanandha Matriculation Higher Secondary School, Kanchipuram, India 2021-2023

Percentage**:** 87%

COMPETITIONS & RECOGNITIONS

- **INNOVISION' 24** Winner at Rajalakshmi Engineering College, Chennai.
- **IOTRIX' 25** Winner at Sairam Engineering College, Chennai.
- **DESIGN SUMMIT' 24** Runner up at Rajalakshmi Engineering College, Chennai.

ACHIEVEMENTS

Infosys Springboard - FrontEnd Web Developer Certification

Human Computer Interaction - NPTEL

Introduction to Industry 4.0 and Internet of Things - NPTEL
